Don't let a neighbor go hungry

We believe in a simple concept: Don't waste food, get it to people that can use it. For years HIDDEN HARVEST has done just that and has distributed more than 38 million pounds of healthy and nutritious food items.

We don't work alone. We rely on people just like you and through generous donations – of food, time and money – we can help our neighbors.

Host a food drive

It's easy to get started. Grab some friends, set a goal and then contact us at info@hiddenharvest.com. We have resources to make your food drive a success and will help you get the food you collect to the people who need it most.
